DARWIN HARBOUR CRUISES

Tumbaren - Drink Options

We take care of all bar requirements for your Cruise. Here are a couple of suggestions to make your function a success.

1. OPEN BAR – SAVING YOU CASH!

We can have our cash bar open 15 minutes prior to the start of your cruise, closing 15 minutes prior to the end of your cruise. Guests can purchase their own drinks. This pay as you go option is a great way to keep your costs down. For the best possible service please let us know a little about your invitation list and your preferred drinks.

2. BAR TAB – YOUR SHOUT!

We can stock our esky bar with a selection of your favourite drinks. Throughout the cruise our staff will serve your guests and tally what is consumed. You tell us prior to the cruise your budget, we get a 50% deposit then the remainder is paid at the conclusion of the cruise via cash or credit card. Sorry folks no accounts on this one! Our excellent sales team can help you budget for this option.

3. PACKAGES – WHEN YOU NEED A SET BUDGET!

To allow you to budget for your cruise we have great packages including soft-drinks, beers and wine available. We will start service 15 minutes prior to the start of your cruise and conclude 15 prior to the end of the cruise. We will invoice you on your final numbers 1 week prior. If you get any stowaways (last minute guests) our per person package needs to be paid at the start of the cruise.

4. BRING YOUR OWN – FOR THE ENERGETIC!

A great way to keep your costs down is to bring your own drinks. We charge a flat fee of $150.00 to BYO. We supply 3 x 12kg bags of ice, chilled drinking water, a large esky and a range of acrylic glasses.

Please note;

- It is your responsibility to deliver drinks on to the vessel prior to the start of your cruise. We are based at the far end of Stokes Hill Wharf with no car access past the car park.
- This option is self-load and self-serve – great for casual functions only!
- All drinks must be removed at the conclusion of your cruise or will be considered a donation!
- Additional bags of ice can be purchased at $10 per 12kg bag.
- Darwin Harbour Cruises requires written confirmation of your drinks list. We reserve the right to refuse excessive amounts brought along for the cruise.

** Darwin Harbour Cruises abide by the responsible service of alcohol guidelines. We reserve the right to conclude the cruise immediately at our discretion.*
